

Student Affairs

There is a Student Welfare Service that supports students with regards to academic and personal problems and difficulties. Statutory administrative mechanisms for monitoring and supporting students are sufficient. The efficiency of these mechanisms is assessed on the basis of specific criteria. Student Welfare in our College:

- encompasses everything the college community does to meet the personal, social and learning needs of students
- creates a safe, caring college environment in which students are nurtured as they learn
- is achieved through the total school curriculum and the way it is delivered
- incorporates effective discipline
- stresses the value of collaborative early intervention when problems are identified
- recognizes the diversity within the college community and provides programs and support which acknowledge difference and promote harmony.

The College offers the following services to students:

- ***Student Counseling & Advising*** - The primary emphasis is on supporting students to achieve their educational goals. Provide brief personal counseling on a short-term basis to deal with an immediate concern. Brief personal counseling is defined as any session regarding a concern that is not academic in nature but explores a problem or concern of a personal nature.
- ***Problem Solving*** - The Office assists students to define the problem, generate alternatives, evaluate and select alternatives and implement solutions.
- ***Accommodation*** - Assist students in finding suitable and convenient place to live for the duration of their studies and offers students information about lease agreements, furniture rental, etc. Every effort is made so students can find lodgings that are near the college so as to have easy access to facilities and support within a friendly environment.
- ***Bulletin Boards*** - Various cultural events, local and Cyprus wide, as well as activities are posted on the bulletin board that students can choose to venture out and experience the intellectual and creative adventure of a life time.
- ***Job Placement*** - Job Opportunities advertisement via On-campus recruitment, Career Expo & job fairs. The office is a link between students seeking employment and organizations looking for career candidates.

- **Activities** – Various charity events are held throughout the year
- **Complaint Handling** - The Student Welfare Office are always next to students and they are willing to hear their complaints, to support them and help solve their problems.
- **General Information** - Guide students as to where to obtain accurate and responsible information on issues concerning the student.
- **Student Union** - Every year elections are held to elect the Executive Committee of the student union to serve for the academic year. The student affairs office oversees the smooth running of the campaign and the running of the voting process on Election Day.
- **Alumni Association** - membership is free and all graduates can become members of the Association. Graduates are able to interact, learn more about old friends and at the same time have the opportunity to be informed of the College developments, the new programs offered and the various events and activities organized by the College
- .
- **Participation in Erasmus+ Programmes:** Atlantis College offers students, faculty and staff mobility opportunities in other European countries via the European funded programme Erasmus+. Mobility opportunities aim to provide students opportunities for professional and personal development.
- **WiFi Services** - The wireless network (WiFi) service enables all students and visitors to connect any wireless-capable device to Internet without cables.
- **Dining Services** - Atlantis cafeteria is available at very affordable prices for students to obtain coffee, hot and cold beverages as well as snacks. It is also a congenial place for students to meet other students and faculty between and after classes.
