

In September 2019, students registered on the Aesthetics Bachelor Degree programme and on the Professional Make Up Diploma programme, had the opportunity to participate in a mobility project with Mesauda Cosmetics Company in Italy. Students travelled to Mesauda in Rome where they stayed for 2 weeks and undertook seminars and workshops in Professional Make Up application and product identification and the sharing of new techniques and practices in Make Up Artistry.

Students gained valuable knowledge and upgraded their skills to be more competent and confident in their abilities. This international experience enhanced their personal and professional development as well as future employability at home and abroad.
